

Cumulus Full Member Endorsement Letter

Name of the applying institution

Our institution expresses our interest to become a full member of Cumulus, the International Association of Universities and Colleges of Art, Design and Media. We have studied carefully the statutes of Cumulus and agree with the obligations they show on us if our membership application is accepted at the General Assembly of Cumulus.

We also agree to pay the annual fee described in the statutes (no. 7.1). The fee is approved annually by the General Assembly of Cumulus (1.200,00€ in 2018). We also agree to cover our share of the costs approved by the Cumulus Executive Board or General Assembly (e.g. Cumulus kit or other publication). In case of participation of our institution in a project, we also agree to cover our part of the costs as described in any project application left by Cumulus and its secretariat according to the rules of the funding source (EU or any other). Project agreements are agreed case by case.

We accept that the information as for the questions of the membership application form can be published on Cumulus web-site or any Cumulus publication.
